EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Larry L. Coats on Thursday May 22, 2008.

The application has been amended as follows:

- **Please replace claim 25 with the following:**

25. (Currently Amended) A foldable candle tool having a plurality of candle tools incorporated therein, comprising: a foldable handle structure moveable between a folded and closed position and an open and operative position; a series of candle tools mounted to the foldable handle structure with each tool being moveable from a storage position contained within the handle to an open operative position where the respective tools project outside of the handle structure; wherein the candle tools include at least two candle tools taken from the group including a wick cutter, wick dipper, match holder, candle digger, lighter, swab, and a retractable wick; and wherein the foldable candle tool includes a wick dipper, the wick dipper includes an arm secured to one handle of the candle tool and a generally L-shaped wire secured to a terminal end of the arm and extending therefrom.

Allowable Subject Matter

2. Claims 25-42 are allowed.

3. The following is an examiner's statement of reasons for allowance: as per BPAI decision rendered on 08/12/2005 (first paragraph on page 11) reversing the rejections of appealed claims 9 and 18, now canceled and presented as claims 25 (including the limitations of original claim 1 and 9 minus claim 7) and 39 (claim 18 rewritten in independent format); the slight bend in Brown's wire device **46** is not sufficient to reasonably characterize the device as L-shaped, therefor independent claims 25 and 39 and their dependents are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
